

THE ULTIMATE WELCOME TO QUEENSTOWN NEW ZEALAND

SHOTOVER & KAWARAU RIVERS

MEET OUR FLEET

KJet has the largest Jet boat fleet in New Zealand, with the ability to move 120 people in eight boats at one time.

KJET AIRPORT TRANSFER

New Zealand's only Jet Boat Airport Transfer

There's no better way to set the scene for your group arriving into Queenstown, stepping off the plane and onto an awaiting Jet boat, delivering them to their hotel. We co-ordinate the airport meet and greet, and luggage transfer behind the scenes.

Passengers experience a 20 minute exclusive Jet boat ride down the turquoise waters of the Kawarau River, complete with 360° spins and spectacular mountain views. Guests are delivered to their hotel's private jetty or centrally based accommodation.

We have the capacity to carry up to 120 guests at one time, with the flexibility to move larger groups on a rotational series, while still retaining the luxury and exclusivity of your own private Jet boats.

KJET QUEENSTOWN MARINA

Our first-class departure point for Conference and Incentive delegates, located on the shores of Lake Wakatipu.

The KJet Queenstown Marina is tailored towards large groups that require ample parking for coaches, space to offer food and beverages before or after a Jet boat trip and exclusive use of the centre available on request.

This fantastic new facility allows for flexibility with trip duration, pick up and drop off points, and can also be used as a wet weather option.

For delegates that are unable to go on the Jet boat, the garden and public seating area along the waterfront is a great place to sit with a coffee and watch the boats come and go.
